

Digital Data Customers:

The WSDOT Aerial Photography Section asks those customers requesting aerial photo imagery in digital form to read this release and submit a signed copy with your photo request.

Thank You.

Jim Walker, Manager
WSDOT Aerial Photography Section

" By making this information and images available to you and the general public, the State disclaims any express or implied warranty as to the accuracy of the information or images provided, and urges the user to make their own investigation of any and all information or images provided. By downloading, copying, or otherwise transferring information or images from this site, you have agreed to waive any and all claims of any type or nature, known, unknown, foreseen or unforeseen arising from your use of the information or images provided by this site, and agree to indemnify and hold the State harmless from any and all claims of any type or nature arising from your unlawful use of the information or images provided by this site."
